ROUTE 210 CLOSURE INFORMATION – WEEK OF SEPTEMBER 17

State Route 210 is open to motorists. However, construction finishing work will continue during the coming months. Following are the scheduled closures:

Closure of Driveway to and from the Rancho Verde Plaza on Riverside Avenue

A temporary closure of the south driveway entrance/exit to the Rancho Verde Plaza on Riverside Avenue will occur September 17 to September 28. This closure is needed for removal and replacement of curb, gutter and sidewalks, installation of new traffic signals and overlay paving. Shoppers can enter and exit the center using the north driveway near Carl's Jr. Please note that all of the Rancho Verde Plaza stores are completely open for Business during the closure of the south highway.

California Street – Full Closure

A full closure of California Street between Highland Avenue and 23rd Street in San Bernardino will remain in effect through late September for storm drain pipe installation. As detour routes, motorists traveling west on Highland Avenue can use southbound California Street, westbound 20th Street, northbound State Street and then proceed west on Highland Avenue. Motorists headed east on Highland Avenue can use southbound State Street, eastbound 20th Street, northbound California Street and then proceed east on Highland Avenue.

Highland Avenue – Lane Closure

Lane closures on Highland Avenue between California Street and State Street in San Bernardino will remain in effect through late September for storm drain system work. One eastbound lane will remain open for local business access only. Motorists who enter this area as a traveling route may be cited. As a detour, motorists can use California Street, 20th Street and State Street to connect with Highland Avenue. During peak travel hours, a flagging operation may be in place to direct motorists through the area. Pedestrian access will be provided on both sides of the street.

For more project information, call the Route 210 toll-free helpline at 1-866-HELP-210 or visit the SANBAG website at www.sanbag.ca.gov. SANBAG and Caltrans appreciate your patience during construction of this new freeway. Please allow extra time when traveling through the construction area and follow all signs and detour routes.

Remember, Safety: It's no accident!
